

600 Bents Basin Road Wallacia NSW

3  2  8 

Raise a family, indulge a hobby, or just escape the rat race. You choose how you will enjoy this three acre (approximately) property. Whichever way you look at it - it's a great lifestyle. A lovely older style home occupies the land and enjoys three bedrooms, en-suite to main, updated bathroom with separate toilet, high ceilings, split system air-conditioning and ceiling fans throughout. On top of this there are two living areas, a good size kitchen and a veranda out the front for those lazy summer afternoons. Outside you will find two water tanks, three horse shelters, two large joined sheds, one fitted with stables and some beautiful cleared paddocks. This may well be the best value acreage property in the local market today so book your inspection before it becomes someone else's dream.

Type : House
Land Size : 12000 sqm
