

10 Pembroke Street Cambridge Park NSW

4  2  4 

You should not miss the opportunity to inspect this quality family home. With four bedrooms two with walk in robes and the main with en suite. There is an open plan kitchen with quality appliances and size overlooking the large open living area. This is adjacent to the theatre room and large laundry and dining area. Enter out to enjoy the back veranda with spa overlooking the large yard, side access to the detached double garage presently fitted out with wet bar and toilet to enjoy the parties. The 920 metre plus (approx) block is a bonus for your weekend family footy match or just plain enjoy the serenity watching your collection of birds in the aviary. Other features include ducted air-conditioning, large laundry and plenty of storage. Make the most of this magnificent property and inspect now.
