

## 1 Cronin Street Penrith NSW

5  2  1 

Not often do you find a completely renovated house and a very modern detached two bedroom granny flat in this location, with fabulous tenants. The home itself has a cosy modern feel about it with good size living, three bedrooms, plus an eight metre long garage with extra toilet, whilst the granny flat is quite new with open planned living, separate fenced off yard and even access for a boat or caravan.
