

4 Woburn Place Glenmore Park NSW

4  2  4 

With easy access to the Northern Road and only moments to the local primary school, this home will offer a great base for the growing family. Floating floors lead to a great open plan design that comprises four bedrooms with an en suite to the main. Split system air conditioning controls comfort throughout the home all year round, there are built in wardrobes, a covered area for entertaining and a double garage. This currently represents the best buying opportunity in Glenmore Park, so don't delay in booking your inspection.
