Don't hesitate on this fabulous three bedroom home which is more than meets the eye. The cleverly designed floor plan provides space in all the right places such as the large bedrooms all with built-in's, the stylish bathroom and the updated kitchen provides plenty of bench space. Look a little closer and you will notice the custom built cabinetry, the second shower and toilet, oversized single garage with options for man cave or workshop. The backyard makes the most of the 625sqm (approximately) block by accommodating a pristine in ground salt water pool and beautiful decking under the pitched roof pergola provides the perfect outdoor entertaining space. High set providing aspect to Blue Mountains in a convenient location close to schools, parks, shops and public transport rounds out the perfect package.
