From the moment you arrive at the front of this home you will start getting the feeling you are about to inspect an immaculate property. And you won't be disappointed! Past the irrigated and landscaped front yard, along the new driveway and through the front door and you are greeted by an enormous open plan living area that flows easily out to the ultimate entertainers deck and back yard. Offering four bedrooms and two bathrooms (one bedroom and one bathroom downstairs) this wonderful family home enjoys a feeling of space, natural light and a great flow. With a single drive-through- garage, a shed large enough to house a second car, mountain views from the back entertaining area, a stunning spa bath in the main bathroom, air conditioning and so much more, this home is a standout and won't be on the market for long.
