

9 Worcester Road Cambridge Park NSW

3  1 

In need of some TLC, this property is ideal for the shrewd investor looking to add value with a thorough cosmetic renovation and features a good sized rear yard with side access and the potential to build a granny flat (STCA), or the first home buyer who would like to turn it into their perfect starting platform to begin their property journey.

The property also features a good sized lounge room, three bedrooms, updated bathroom and kitchen and split system air conditioning.

- * Large 695m2 block (approx.)
- * Granny flat potential (STCA)
- * Side access
- * Split system air conditioning
- * Updated bathroom
