Aimee Mitchell is proud to present this charming three bedroom home on a generous approx. 1,417sqm lot to the open market. Boasting spacious interiors across a single level residence with double garage also, this home has ample opportunity for you to renovate, expand or invest.

The incredible block of land is one of the most usable spaces we've seen on the market in some time. The block is child-friendly, pet-friendly with ample level yard space; perfect for a pool or shed (STCA). There is additional side access to the property between the boundary fence and garage therefore making the block even more appealing to those requiring access to the back.
