

SILVERDALE

4  2  3 

The moment you enter the gates you feel at home. The established gardens have taken years to create and now offer total privacy with the added benefit of being extremely low maintenance.

The home is spacious in all the right places with 4 big bedrooms master with renovated ensuite large living areas all surrounding the huge custom built kitchen built for the "Master chef" or lover of all things food.

The back yard is something to behold with a massive covered entertaining area that could accommodate the largest of family get togethers complete with built in brick BBQ that offers both gas cooking and the ever popular wood fire stove for an authentic taste.

Type : House
