

LUDDENHAM

4  2  2 

This quiet cul-de-sac is without a doubt one of the most sought after locations in Luddenham.

Offering 4 spacious bedrooms + Study you will have the space and privacy you deserve. With separate rumpus and family room off the kitchen this is one for the entertainer. You have an amazing outdoor entertaining area that is covered and offers uninterrupted views over the acreage that surrounds this estate making this one of the most unique blocks ever available in this estate.

The design of this home ensured that the back yard is completely usable and also created a really private feel from the street.
